COMPONENT LAYOUT 5948

Diagram illustrating the component layout for 5948, showing various switches (SW) and diodes (DS) arranged in a grid-like pattern. The components are labeled as follows:

- SW1 through SW71 (Switches)
- DS1 through DS3 (Diodes)
- J3 (Connector)
- L1 through L4 (Connectors)

The layout is organized into several rows and columns, with components labeled SW1 through SW71 arranged in a grid-like pattern. Diodes DS1, DS2, and DS3 are located on the right side. Connectors L1, L2, L3, and L4 are located on the right side. Connector J3 is located on the right side. Connector A is located on the right side.
